in the Notice calling the AGM.

Standalone financials

- (i) Board's comments on the para 4 (v) of the Auditors' Report

The subsidiary company has invested in the share application money of certain companies engaged in real estate projects at Hyderabad. However, considering the general downturn in the real estate sector across the country and specifically in Hyderabad, the subsidiary company has provided for diminution in value of this investment. The Company would be able to continue as a going concern depending upon the returns of this investment and also upon the support of its parent company, PVP Ventures Limited.

- (ii) Board's comments on the para (vii) of the Annexures to the Auditors' Report

Since the Company has not carried out any business operations during the year, there was no requirement of an internal audit system.

- (iii) Board's comments on the para (ix) of the Annexures to the Auditors' Report

The Company has been quite regular in depositing statutory dues like TDS, etc. Still, due to oversight, there have been few cases of delay in this regard. However, after June 2008, all statutory dues have been deposited within the statutory time limit.

- (iv) Board's comments on the para (x) of the Annexures to the Auditors' Report

Due to lack of any business activity in the Company, it has been incurring cash losses for meeting its operational expenses.

Consolidated financials

- (i) Board's comments on the para 4 of the Auditors' Report

The subsidiary company has invested in the share application money of certain companies engaged in real estate projects at Hyderabad. However, considering the general downturn in the real estate sector across the country and specifically in Hyderabad, the subsidiary company has provided for diminution in value of this investment. **Schedules forming part of the Consolidated Financial Statements
for the year ended March 31, 2009**

Schedule O: Significant Accounting Policies and Notes on Accounts:

Significant Accounting Policies

1. Basis of preparation of financial statements

- A) The financial statements of the Group have been prepared under the historical cost convention in accordance with
- a) The Indian Generally Accepted Accounting Principles (GAAP)
 - b) The Accounting standards specified by the Institute of Chartered Accountants of India (ICAI), and
 - c) The provisions of the Companies Act, 1956
- B) All financial transactions have been recognized on accrual basis. The preparation of financial statements in conformity with the GAAP requires that the management makes estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. The actual results could differ from those estimates. Examples of such estimates include future obligations under employee retirement benefit plans and the useful life of the fixed assets.

C) Going Concern:

The Company had no operations over the past few years and cash flows from operations are negative. This was on account of Company wanting to focus on another segment of entertainment industry, namely operation of multiplexes. The Company had therefore invested in its subsidiary company promoting theatre projects. However, the theatre property of the subsidiary had to be sold to meet debt obligations of the subsidiary. The subsidiary has invested these proceeds in some real estate projects in Hyderabad. The company's ability to continue as going concern depends on returns from these real estate projects.

D) Principles of Consolidation:

The Group's consolidated financial statements include Telephoto Entertainments Ltd and PVP Screens Private Limited (100% Subsidiary). All

significant inter company transactions and balances have been eliminated in the consolidated statements. Consequent to 100% provision for diminution in the value of investments made in the books of Telephoto Entertainments Limited for the investments made in Telephoto International Pte Ltd, Singapore and considering that there are no operations in this Company and the value of assets and liabilities are not material, the financials of Telephoto International Pte Ltd, Singapore have not been considered for consolidation with Telephoto Entertainments Limited.

2. Revenue Recognition

As a consistent practice, the Group recognizes revenues on an accrual basis.

3. Accounting of Expenditure

Expenses are accounted on an accrual basis. Provisions have been made for all known losses and liabilities as on the date of the financial statements.

4. Fixed Assets and Depreciation

Expenditure on maintenance, repairs and renewals of minor items are generally charged to revenue as incurred. Upon sale or write off of assets, the cost of the assets and the accumulated depreciation on such assets are eliminated from the Fixed Assets block. The profit / loss on sale of assets are included in the earnings statement.

5. Benefits to employees

There were no employees in the Group during the year.

6. Foreign Currency Transactions

There are no foreign currency transactions during the year.

7. Taxes

Deferred Tax Assets are recognized only if there is a reasonable certainty that they will be

TELEPHOTO ENTERTAINMENTS LIMITED

realised and are reviewed for their appropriateness of their respective carrying value at each Balance Sheet date. When unabsorbed depreciation and carry forward losses are there, Deferred Tax Asset is recognized only if there exists virtual certainty of their realization. Deferred tax assets & liabilities are measured at the tax rates that have been enacted or substantially enacted on the Balance sheet date.

8. Leases

The Group enters into operating leases for hiring office premises. The rent paid to the landlords is debited to the Profit and Loss Account.

9. Investments

Investments are classified into current and long-term investments. Current investments are stated at the lower of cost and fair value. Long-term investments are carried at cost less provision made, if any, for the decline in the value of such investments.

10. Inventory Valuation

There are no inventories during the year.

11. Borrowing Cost

Expenditure on borrowing cost on the loans obtained for acquisition, construction or production of capital assets are capitalized as part of the cost of the assets.

13. Impairment of Assets

The Group reviews the carrying values of tangible and intangible assets for any possible impairment at each Balance Sheet date. Impairment loss, if any, is recognized in the year in which the impairment takes place.

14. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when the Group has an obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent Liabilities are recognized only when

there is a possible obligation arising from past events due to occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

- (ii) Board's comments on para 4(vii) of the Auditors' Report

In view of the negative networth of the Company, it would continue as a going concern upon regular support from its parent Company and the returns from the investment in the real
